

March 21, 2024

Thank you for purchasing a new ARO EVO-Series Electric Diaphragm Pump. We have produced a series of video programs designed to assist with delivery, set-up, programming, operation and maintenance of this pump series.

Below are links to each of these videos. If you need additional information, you can contact ARO Tech Support by email at arotechsupport@irco.com. Or by phone at 800-495-0276.

Video 1 of 4: Unboxing & Mechanical Installation.
